## DEPARTMENT OF MANAGEMENT

The department of MBA was started in the year 2006. The Department offers specializations in Finance, Marketing and HRM. For the past decade many students have graduated from the department and have established successful careers across India.

The department has two doctorates supported by a well qualified and experienced faculty team. Regular development activities by inviting industry experts for guest lectures and workshops, industrial visits and professional programs ensure the students have proper grounding in the fundamentals of management. The Department provides best in class infrastructural facilities with innovative teaching practices.

The MBA department provides rigorous training programs to fine tune the skills of students and make them ready for careers in the industry. With a wide spectrum of placement opportunities in diverse industry segments the department is the best choice for budding managers and entrepreneurs.
