PROSPECTUS

(Established under the Telangana State Private Universities Act 11 of 2018)
In today’s changing and competitive world, the need for creative and bright talent is paramount. New challenges, complex situations and ever-changing scenarios require adaptable skills and dynamic personalities to lead.

At Anurag, we brought the best instructors to teach students management skills and technical proficiency. Decades of experience in higher education earned us distinguished academic achievement and are a testament to our excellence. To maintain such standards, we are continually investing in faculty member training and program infrastructure.

From the beginning, our vision was to congregate the brightest mind around a flourishing and conducive academic environment. As founder and chairman, I welcome all aspirants to embark on a journey of learning and fulfillment at Anurag. I’m confident they will become competent professionals able to face the present-day global challenges.
Dr. U.B. Desai  
Chancellor  
Dr. Desai received the B.Tech. from IIT, Kanpur, M.S. from the State University of New York, USA and Ph.D. from The Johns Hopkins University, USA. He was the founding Director of IIT, Hyderabad. He served as a faculty at Washington State University and IIT Bombay. He also served in the capacity of Dean of Students at IIT-Bombay and has been a visiting professor at Arizona State University, Purdue University, and Stanford University.

Dr. Syeda Sameen Fatima  
Registrar  
Dr. Sameen Fatima did her B.Tech. from JNTU, M.Phil. from the University of Hyderabad, M.S. from the University of Massachusetts, USA and Ph.D. from Osmania University. Dr. Sameen has over 33 years of experience in teaching, research and administration in well-reputed educational institutions all over south India. She started his career as a teaching faculty at Indian Institute of Computer Technology, Cochin and went on to become the Vice-Chancellor of Osmania University in 2016. He published around 25 peer-reviewed research papers in national and international conferences. He was also very much involved in various R & D projects during his tenure and guided more than 25 doctoral students.

Dr. Ramachandram Sirandas  
Vice Chancellor  
Dr. Ramachandram Sirandas did his B.Tech., M.Tech. and Ph.D. from Osmania University. Dr. Ramchandram has over 35 years of experience in teaching, research and administration in well-reputed educational institutions all over south India. He started his career as a teaching faculty at Indian Institute of Computer Technology, Cochin and went on to become the Vice-Chancellor of Osmania University in 2016. He published around 25 peer-reviewed research papers in national and international conferences. He was also very much involved in various R & D projects during his tenure and guided more than 25 doctoral students.

Dr. K.S Rao  
Director  
Dr. K.S Rao did his B.Tech. from KITS and M.Tech. from REC, Warangal and Ph.D. from VRCE, Nagpur. He was instrumental in establishing several technical institutions in Telangana and Andhra Pradesh. He had published several papers in National and International Journals/ Conferences. His areas of interest include Microprocessors, Signal Processing, VLSI Design, and Neural Networks. Dr. Rao has guided six doctoral students. Dr. Rao is the Director for Anurag Group of Institutions (AGI).
WHO WE ARE

2 DECADES IN PROVIDING WORLD CLASS PROFESSIONAL EDUCATION

**2020**
Established Anurag University.

**2019**
Introduced Bachelors Program in Artificial Intelligence.

**2014**
Autonomous status from UGC.

**2008**
Introduced M.Tech. PEED & CAD/CAM.

**2007**
Introduced B.Tech. Information Technology and M.Tech. in CSE & VLSI.

**2006**
Introduced Full-Time M.B.A.

**2005**
Established Lalitha College of Pharmacy and introduced Mechanical and Chemical engineering courses.
Anurag Group of Institutions (AGI), offering graduate programs since 1998, became Anurag University in 2020 under the Telangana State Private Universities Act 2018.

Anurag offer programs in areas ranging from engineering, pharmacy and management, to humanities and arts. More than 6500 students in the university’s three schools benefit from a small student-to-faculty ratio and an education distinguished by its focus on creating and implementing solutions for real-world problems, interdisciplinary collaboration and innovation.

Dr. Palla Rajeshwar Reddy
Dr. Palla Rajeshwar Reddy, the founder of the Anurag Group, is a visionary in building the educational ecosystem of Telangana and erstwhile Andhra Pradesh for more than two decades. He did his M.Sc. and Ph.D. from Osmania University and started his academic career as a faculty. Dr. Reddy started Anurag Group in the year 1998 with undergraduate courses in science and arts.

Prof. K. Rama Reddy
An indispensable asset to the institution’s progress, Prof. Reddy has M.S. and Ph.D. from Carnegie Mellon University, USA. He worked as faculty, researcher, and administrator for more than four decades in some of the best universities in the USA and India. Prof. Reddy published more than 150 research papers and four books.

Neelima Suryadevara
Mrs. Neelima did her B.Tech. from JNTU, Hyderabad, and M.Tech. from Osmania University, Hyderabad. She served as an Engineer in Transco for over two and a half decades. She assumed the role of Managing Trustee of the Gayathri Educational and Cultural Trust, which runs Anurag Group and is actively participating in regular day to day activities of Anurag Group for the last decade.

Krishna Palla
Krishna received a Bachelor’s degree in Electrical Engineering from the National Institute of Technology, and Master’s degree in Supply Chain Management from Pennsylvania State University. Krishna has 20 years of experience in the technology industry, designing and implementing large-scale enterprise applications and strategizing digital transformation for a multitude of customers ranging from Internet startups to Fortune 500 companies.

Anurag Palla
Anurag completed his B.Tech. from PSG College of Technology, Coimbatore, and Master’s in Industrial Engineering from Purdue University, USA. After completing his Post Graduation, he returned to India in order to add value to his family-run Anurag Group institutions. He also co-founded an EduTech company, Hamzek Solutions.
Dr. G. Vishnu Murthy  
Dean, School of Engineering  
Dr. Vishnu Murthy Gunda received B.Tech., M.Tech and Ph.D. in CSE from JNTU, Hyderabad. He has more than 20 years of experience in academia. He has around 80 publications in International journals and conferences.

Dr. Vasudha Bhakshi  
Dean, School of Pharmacy  
She has obtained M.Pharm. from Manipal University and Ph.D. from SNDT University, Mumbai. She received SRF from the Department of Biotechnology, Govt of India. Dr. Vasudha has published over 90 research papers and has 4 patents. She has experience of 20 years in teaching and research.

Dr. V. Vijay Kumar  
Dean, Research & Development  
He received an integrated M.S. from USSR and his Ph.D. from JNTU, Hyderabad. He guided 28 research scholars for Ph.D. and published more than 100 research articles in international journals and conferences. He worked in JNTUH and in many other renowned technical institutions at various capacities. He has total 25 years of experience in academics.

Dr. K. Sudheer Reddy  
Dean, Academics and Planning  
Dr. Sudheer Reddy obtained his Ph.D. from Nagarjuna University. He has published over 12 research papers. He has about 15 years of experience in Software Development, Software Project Management, Education, Research, Technology Adoption, Talent Fulfillment Function (TAFF).

Dr. M. Mutha Reddy  
Dean, Examinations  
Dr. Mutha Reddy did his B.Sc., M.Sc. and Ph.D. from Osmania University. He started his career in Osmania University as a faculty and worked for over three and a half decades in various capacities including the registrar of the university. He published several research papers in national and international journals.
Anurag University is committed to providing its students with best-in-class education that combines rigorous academic study and the excitement of discovery with a blend of intellectual stimulation.

**FACTS AND FIGURES**

**ENROLLMENT**

- **Total Students**: 6500
- **Undergraduate Intake**: 1930
- **Postgraduate Intake**: 400
- **Doctoral Intake**: 105
- **Alumni**: 35000
- **Female Students**: 35%
- **Incoming Students Cutoff marks**: 85%
- **Students Receive Scholarships**: 35%

Undergraduate Programs (UG)

B.Tech. - Chemical Engineering  
B.Tech. - Civil Engineering  
B.Tech. - Computer Science and Engineering  
B.Tech. - Electrical & Electronics Engineering  
B.Tech. - Electronics & Communications Engineering  
B.Tech. - Information Technology  
B.Tech. - Mechanical Engineering  
B.Tech. - Artificial Intelligence

**Duration:** 4 Years

**Qualification:** A pass in Intermediate or equivalent examination with a minimum of 45% marks.

**Admission Process:**
- General Category: Based on a merit rank in the State Common Entrance Test- TSEAMCET conducted by the Govt. of Telangana.
- B / NRI Category: Based on the merit in AIEEE / JEE / TSEAMCET / marks secured in 10+2 or Intermediate.

For new courses & additional sections in existing courses started in 2020-21.

B.Tech. - Computer Science and Engineering  
B.Tech. - Computer Science & Systems Engineering  
B.Tech. - Construction Technology & Management  
B.Tech. - Artificial Intelligence with Machine Learning

**Qualification:**
- Indian Boards: A minimum of 60% aggregate marks in Mathematics, Physics & Chemistry and first class or equivalent grade in the qualifying examination.
A Level:

- Physics, Mathematics and Chemistry / Computer Science or any technical vocational subject* as optional subject in the 'A' Levels and English in the 'AS' / IGCSE / GCSE.
- Minimum grade required is an average of 'D' grade in Physics, Mathematics and any one of the optional subjects * Technical vocational subject must be related to Chemical / Civil / Computer / Electrical / Mechanical streams.

IB:

- English, Physics, Mathematics and Chemistry / Computer Science or any technical vocational subject* as optional subject (preferably Mathematics and Physics at HL level).
- IB Diploma or IB Certificate with minimum average of 4 points for Physics, Mathematics and any optional subject* with overall minimum of 24 points * Technical vocational subject must be related to Chemical / Civil / Computer / Electrical / Mechanical streams.

Admission Process:

General Category:

- Apply Online/Download Application.
- Based on the merit in JEE / TSEAMCET / APEAMCET / Marks secured in 10+2 or Intermediate.
- TSEAMCET / APEAMCET / Uni-GAUGE / AIEEE / JEE can be waived for exceptional students. Please contact admissions team for details.

B / NRI Category:

- Apply Online/Download Application.
- Based on the merit in AIEEE / JEE / TSEAMCET / APEAMCET / Marks secured in 10+2 or Intermediate.
- TSEAMCET / APEAMCET / Uni-GAUGE / AIEEE / JEE can be waived for exceptional students. Please contact admissions team for details.

Lateral Entry in to II Year B.Tech. (All Programs)

Qualification: Passed Diploma examination/ B.Sc. (Mathematics) from an approved institution with at least 45% marks (40% in case of candidates belonging to reserve category) in appropriate branch of Engineering/Technology.

Admission Process:

General Category: Based on the TSECET Rank.
Postgraduate Programs (PG)

M.Tech. - Computer Science & Engineering
M.Tech. - Structural Engineering
M.Tech. - VLSI System Design
M.Tech. - Embedded Systems
M.Tech. - Power Electronics & Electrical Drives
M.Tech. - Electrical Power Systems
M.Tech. - Machine Design

Duration: 2 Years

Qualification: A minimum of 50% aggregate marks in appropriate branch of Engineering/Technology.

Admission Process:
General Category: Based on a merit rank in the State Common Entrance Test- TSPGECET conducted by the Govt. of Telangana.
B / NRI Category: Based on the merit in GATE Ranks / Marks secured in Qualifying Exam.

Doctoral Programs (Ph.D.)

Chemical Engineering
Civil Engineering
Computer Science and Engineering
Information Technology
Electrical & Electronics Engineering
Electronics and Communication Engineering
Mechanical Engineering

Duration: 3 Years

Qualification: A minimum of 50% aggregate marks in appropriate branch of Engineering / Technology.

Admission Process: Based on the merit rank in the Entrance Examination and followed by the Interview. The candidates who qualify in NET / SLET need not sit for the written test. However, they should get through in the interview process.
SCHOOL OF PHARMACY

Undergraduate Programs (UG)

B.Pharm.
Duration: 4 Years

Pharm.D.
Duration: 5 Years

Qualification: A minimum of 50% aggregate marks in the qualifying examination with Mathematics / Biology, Physics & Chemistry.

Admission Process:
General Category: Based on a merit rank in the State Common Entrance Test- TSEAMCET.
B / NRI Category: Based on the marks secured in 10+2 or Intermediate.

Postgraduate Programs (PG)

M.Pharm.
Duration: 2 Years

Pharm.D.(PB)
Duration: 3 Years

Qualification: A minimum of 50% aggregate marks in the qualifying examination.

Admission Process:
General Category: Based on a merit rank in the State Common Entrance Test- TSPGECET conducted by the Govt. of Telangana.
B / NRI Category: Based on the merit in GPAT / marks secured in Qualifying exam.

Doctoral Programs (Ph.D.)

Pharmacy

Qualification: A minimum of 50% aggregate marks in the appropriate branch of Pharmacy.

Admission Process: Based on the merit rank in the Entrance Examination and followed by the Interview. The candidates who qualify in GPAT need not appear for the written test. However, they should get through in the interview process.
SCHOOL OF MANAGEMENT

Undergraduate Programs (UG)

Bachelor of Business Administration (B.B.A.)
Data Sciences
Supply Chain Management
Digital Marketing

Duration: 3 Years

Qualification: A pass in Intermediate or equivalent examination with a minimum of 45% marks.

Admission Process:
General / NRI Category: Based on A pass in Intermediate or equivalent examination and followed by an interview.

Postgraduate Programs (PG)

Master of Business Administration (M.B.A.)

Duration: 2 Years

Qualification: Bachelor Degree of minimum 3-years duration. (Except Oriental Languages) with at least 50% marks (45% marks in case of reserved categories) in the qualifying examination.

Admission Process:
General Category: Based on a merit rank in the State Common Entrance Test- TS ICET conducted by the Govt. of Telangana.
B / NRI Category: Based on the marks secured in Qualifying exam.

Doctoral Programs (Ph.D.)

Management

Qualification:
Candidate must possess post graduation degree in management with minimum of 55% marks in the concerned subjects.
Candidates who have completed a postgraduate qualification in any other subject with 3 years of experience in a managerial capacity.

Admission Process: Selection of the candidate to the research degree courses is made based on entrance test and interview conducted by the university.

INFRASTRUCTURE AND FACILITIES
Spread over 55 acres of land, Anurag benchmarks only against the best universities around the world. Anurag’s faculty and senior team members travel all over the globe to imbibe the best practices, so that students get the best environment to pursue their dreams.

- Classrooms
- Auditoriums/Seminar halls
- Laboratories
- Learning Centers
- Sports Facilities
- Hostels
- Cafeteria
- IOT Center
- Transportation
Classrooms

Smart Classrooms equipped with state-of-the-art technology that include wifi, AV equipment and lecture capture technology.
Every department has an auditorium and seminar hall equipped with multi-media, wifi and AVS facilities.
LABORATORIES

State-of-the-art laboratories to give learning a practical dimension.
LEARNING CENTERS
Learning centers are equipped with thousands of volumes of books, journals and other digital content to accommodate collaborative research and study spaces.

- **30,000** square feet
- **200+** digital systems
- **70,000+** volumes
- **500+** national and international journals
SPORTS FACILITIES

1500 SQ.MTS. FULLY EQUIPPED INDOOR SPORTS COMPLEX

6400 SQ.MTS. INTERNATIONAL STANDARD CRICKET STADIUM

250 SQ.MTS. GYMNASIUM

01 ATHLETIC TRACK
Anurag is equipped with vast play fields of International standard for all outdoor games like Cricket, Football, Basketball and Indoor stadium with wooden flooring to facilitate all Indoor games.
Anurag University offers safe, secure and pleasing accommodations to 100% of its students (both boys and girls) from the academic year 2020-21.
To promote green movement among its students, Anurag provides beautiful open-air lounges and has four different canteens/mess halls for students to indulge across its campus.
Cultural Clubs

We strongly believe the cultural clubs play a crucial role in fostering creativity, confidence, and team spirit in students. At Anurag, we encourage students to remain engrossed with a plethora of events and competitions organized by 10+ cultural clubs across arts, music to dance.
Technical Clubs

The Technical Clubs at Anurag nurtures the students to learn state-of-the-art technologies and encourages the student community to exhibit their talent by participating in a series of hackathons hosted jointly by various collaborators on societal relevant problems. Dozen-plus awards won by the students for developing innovative solutions help boost the energy levels of the students and keep these clubs active.
IUCEE ANNUAL STUDENT FORUM

Annual Student Forum (IASF) is a platform for the engineering students of India to come together and work on diverse and varied problem statements.

This year’s theme was “Addressing Grand Challenges of the 21st century”.
We here at Anurag, believe passionately in the power of ideas to change attitudes, lives and the world, which made TEDxAGI, a truly memorable event of 2019. Several eminent personalities like Praveen Kumar (IPS), Nag Ashwin (Award-winning Director for Mahanati), Lokesh Nathany, Tanya Mittal (Miss India), Olly Esse (Italian DJ) and other notable speakers from all walks of life including artists, entrepreneurs and social activists have come onto the TEDxAGI platform to engage our students with their ideas of changing our society for better.
SEVENTH INTERNATIONAL CONFERENCE ON TRANSFORMATIONS IN ENGINEERING EDUCATION

ICTIEE – 2020 during January 5th to 8th, with the theme “Socio - Humanistic Approach in Engineering Education” was organized to share emerging and innovative practices in teaching and learning methodologies in collaboration with IUCCE, IFEES and ASEE. The events include 10 pre-conference workshops, 18 keynote addresses from renowned intellectuals across the globe, 127 paper presentations with 9 parallel sessions on various sub themes and cultural programs. 113 selected papers were published in the prestigious Journal JEET which is Scopus indexed.

The technical education in the Telangana state has become more qualitative and the students have become much more employable due to the proactive measures taken by the Govt. of Telangana. I can see that Anurag was quick to adopt these measures which benefited its students immensely.

P. Sabitha Indra Reddy
Honourable Minister of Education
Govt. of Telangana.

Congratulations to Anurag for focusing on the innovation process of the student-centric approach for engineering education. This original pathway will undoubtedly lead to a better university and sustainable growth of the region.

Krishna Vedula
Dean Emeritus, Francis College of Engineering, University of Massachusetts Lowell. President, IFEES.
I was spellbound with the eco-system created here at Anurag for Self-learning focusing on the three elements such as learning content, skills and training required for autodidact.

K.T. Rama Rao
Honourable Minister of MA & UD,
Industries and IT & Commerce
Govt. of Telangana
