Online Education

1. Does all programs/courses were completed on time.	Yes		
2. Measures taken to complete the syllabus of courses and programs.	The existing Online Learning Management System (LMS) was used to reach out the students. To improve the learning experience of students, various options like Data tracking, Personalized user experience, Automated alerts and notifications, Centralized learning materials, Flexible reporting and analytics, Smart Scheduling tools, Hosting options for maximum security etc. were put into use by the faculty. Video recordings of each session are shared with the students for further references. In addition to this, all the online resources like NPTEL, MIT Open Courseware etc. for majority of the courses were shared to the students. To retain the attention of students, polling was conducted regularly. Online quizzes were conducted as part of continuous internal evaluation as per the academic requirements. Virtual Labs were used in theory classes for proper understanding of the concepts apart from the physical labs. The capacity of the university's bandwidth and data center was enhanced to accommodate the online classes and the session recording and backups. These are in turn shared with the students.		
3. The period of delay in completion of syllabus (in months).	0		
4. The period of delay in conducting exams (in months).	0
