Formation of Internal Quality Assurance Cell (IQAC)

This is to inform you that it has been decided that to establish an Internal Quality Assurance Cell (IQAC) in our institution with effect from 20th September 2017. The IQAC committee will be headed by Dr. V. Vijaya Kumar; Dean, Department of CSE & IT as the Convener and will consists of members as given in the attachment.

The establishment and functioning of IQAC will be based on the guidelines given by NAAC. It is available in the NAAC Website.

The primary objectives, functions of IQAC of our institution are attached here with for your information.

The HoDs are requested to appoint departmental coordinators for IQAC and are requested to go through guidelines of IQAC. They are also requested to encourage to all the teaching and non-teaching in their departments to go through the guidelines of IQAC.

The establishment of IQAC will enable the institution to assure quality in all academic and administrative activities and to facilitate continuous improvement. I request active support from all the faculty members and non-teaching staff member to IQAC committee and activities.

Director

(An Autonomous Institution)

(Approved by AICTE, PCI, New Delhi & Affiliated to JNTU(H), Hyderabad)

Objectives

The primary objective of IQAC is:

- To develop a system for conscious, consistent and catalytic action to improve the academic and administrative performance of the institution.
- To promote measures for institutional functioning towards quality enhancement through internalization of quality culture and institutionalization of best practices.

Strategies:

IQAC evolves mechanisms and procedures for:

- Ensuring timely, efficient and progressive performance of academic, administrative and financial tasks
- The relevance and quality of academic and research programmes
- Equitable access to and affordability of academic programmes for various sections of society
- Optimization and integration of modern methods of teaching and learning
- The credibility of evaluation procedures
- Ensuring the adequacy, maintenance and proper allocation of support structure and services
- Sharing of research findings and networking with other institutions in India and abroad

(An Autonomous Institution)

(Approved by AICTE, PCI, New Delhi & Affiliated to JNTU(H), Hyderabad)

Some of the functions of the IQAC are:

- Development and application of quality benchmarks/parameters for various academic and administrative activities of the institution;
- Facilitating the creation of a learner-centric environment conducive to quality education and faculty maturation to adopt the required knowledge and technology for participatory teaching and learning process
- Arrangement for feedback response from students, parents and other stakeholders on quality-related institutional processes
- Dissemination of information on various quality parameters of higher education
- Organization of inter and intra institutional workshops, seminars on quality related themes and promotion of quality circles
- Documentation of the various programs/activities leading to quality improvement
- To increase number of MoUs and try to bridge the gap between industry and academia
- Acting as a nodal agency of the Institution for coordinating quality-related activities, including adoption and dissemination of best practices
- Development and maintenance of institutional database through MIS for the purpose of maintaining /enhancing the institutional quality
- Development of Quality Culture in the institution
