Based on the consent received from the members, the Academic Council adopt the following resolutions:

**Item 1:** Confirmation of the Minutes of the 10th meeting of the Academic Council held on 02.09.2023.

**Resolution 1:** Resolved to confirm the minutes of the 10th meeting of the Academic Council held on 02.09.2023

**Item 2:** Action taken on the decisions taken in the 10<sup>th</sup> meeting of the Academic Council

**Resolution 2:** The Council noted the details of the action taken on the decisions of the 10<sup>th</sup> meeting of the Academic Council, presented by Vice Chancellor.

**Item 3:** Approval of the amendment with respect to Promotion Rules in section 7.1 of the B. Tech (R20) Academic Regulations as onetime special case. The amendment is applicable for the students admitted in the academic year 2021-22 (2022-23 in case of lateral entry students only).

Amendment of the item 7.1 of the Academic Regulations of the B. Tech Program (R20) is as under:

Existing item 7.1	Amendment proposed in item 7.1
<p>Promotion from 2<sup>nd</sup> year to 3<sup>rd</sup> year: 60% of the total credits up to 2<sup>nd</sup> year 1<sup>st</sup> semester.</p> <p>Description:</p> <ul style="list-style-type: none"> <li>• Total No. of credits up to 2<sup>nd</sup> year 1<sup>st</sup> semester: 58</li> <li>• A total of 35 credits required for regular students to promote to 3<sup>rd</sup> year 1<sup>st</sup> semester.</li> <li>• For lateral entry students, a total of 60% of credits (12 credits) required to promote to 3<sup>rd</sup> year 1<sup>st</sup> semester.</li> </ul>	<p>Promotion from 2<sup>nd</sup> year to 3<sup>rd</sup> year: 50% of the total credits up to 2<sup>nd</sup> year 2<sup>nd</sup> semester.</p> <p>Description:</p> <ul style="list-style-type: none"> <li>• Total No. of credits up to 2<sup>nd</sup> year 2<sup>nd</sup> semester: 78</li> <li>• A total of 39 credits required for regular students to promote to 3<sup>rd</sup> year 1<sup>st</sup> semester.</li> <li>• For lateral entry students a total of 50% of credits (20 credits) required to promote to 3<sup>rd</sup> year 1<sup>st</sup> semester.</li> </ul>

This batch of students 2021-2025, both regular and lateral entry have come through Covid-19 pandemic phase.

A (1) It is observed that performance of the lateral entry students is much better in II year II semester when compared to II year I semester.

(2) About 15% of lateral entry students are getting detained as per the existing regulations i.e., acquiring at least 60% of credits up to II year I semester (12 credits out of a total of 20 credits) for lateral entry and (35 credits out of a total of 58 credits) for regular students.

B. By considering reduction of credits from 60% to 50%, most of the lateral entry students could get promotion from 2<sup>nd</sup> year to 3<sup>rd</sup> year along with a benefit to some regular students.

Therefore, it is proposed to consider one time concession as specified in point B above to all the II year students (both regular and lateral entry) for promotion from 2<sup>nd</sup> year to 3<sup>rd</sup> year.

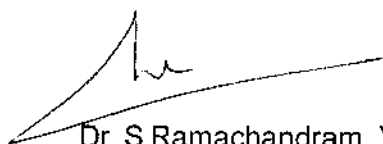

**Resolution 3:** Resolved to approve the amendment with respect to Promotion Rule in section 7.1 of the B. Tech (R20) Academic Regulations as onetime special case as given in the table.

**Item 4:** Approval of the amendment of the course structure of 1<sup>st</sup> year B. Tech (Electronics and Computer Engineering)

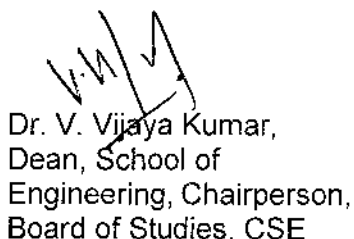

**Resolution 4:** Resolved to approve the amendment of the course structure of 1<sup>st</sup> year B. Tech (Electronics and Computer Engineering).

**Item 5:** Ratification of the Academic Calendars for the AY 2023-24 after the previous meeting
